

Jelly Clip - Small size

made with Acrylic Resin

No. 57620

Made in Japan

Materials:

- 1 package Jelly Clip (See what's included in the package)
- Two approx. 6"x 8" Exterior fabrics *Lecien Basic Color Dots in 20 Oxford recommended.
- Two approx. 6"x 8" Lining fabrics *Lecien Minny Muu Collection recommended.
- Two approx. 6"x 8" Fusible Interfacing

Assembly Instructions:

- Iron the Fusible Interfacing to the Wrong Side of the 2 Exterior fabrics with medium heat. (Make sure not to iron directly on the Fusible Interfacing - Use cloth between when ironing)
- Gather and sew the darts (image A). This step should be done for all pieces of Exterior fabrics and Lining fabrics separately.
- Place Exterior fabric pieces, Right Sides together, with Fusible Interfacing on the outside (image B).
- Sew ♥ to ♥ . The top remains unsewn.
- Place Lining fabric pieces, Right Sides together and sew ♥ to ♥ . The top remains unsewn.
- Insert sewn Lining into Exterior, Right Sides facing each other (image C).
- Sew ◆ to ◆ for both sides of the top leaving the Opening (image C).
- Turn the Exterior RS out from the Opening on the Lining and top stitch the top opening edge.

Glueing the Purse to the Jelly Clip:

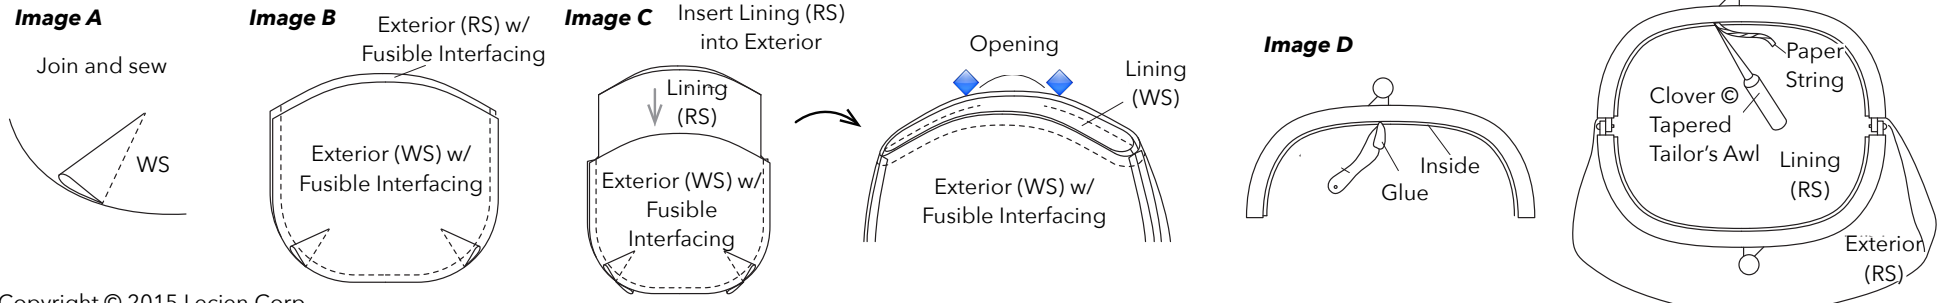

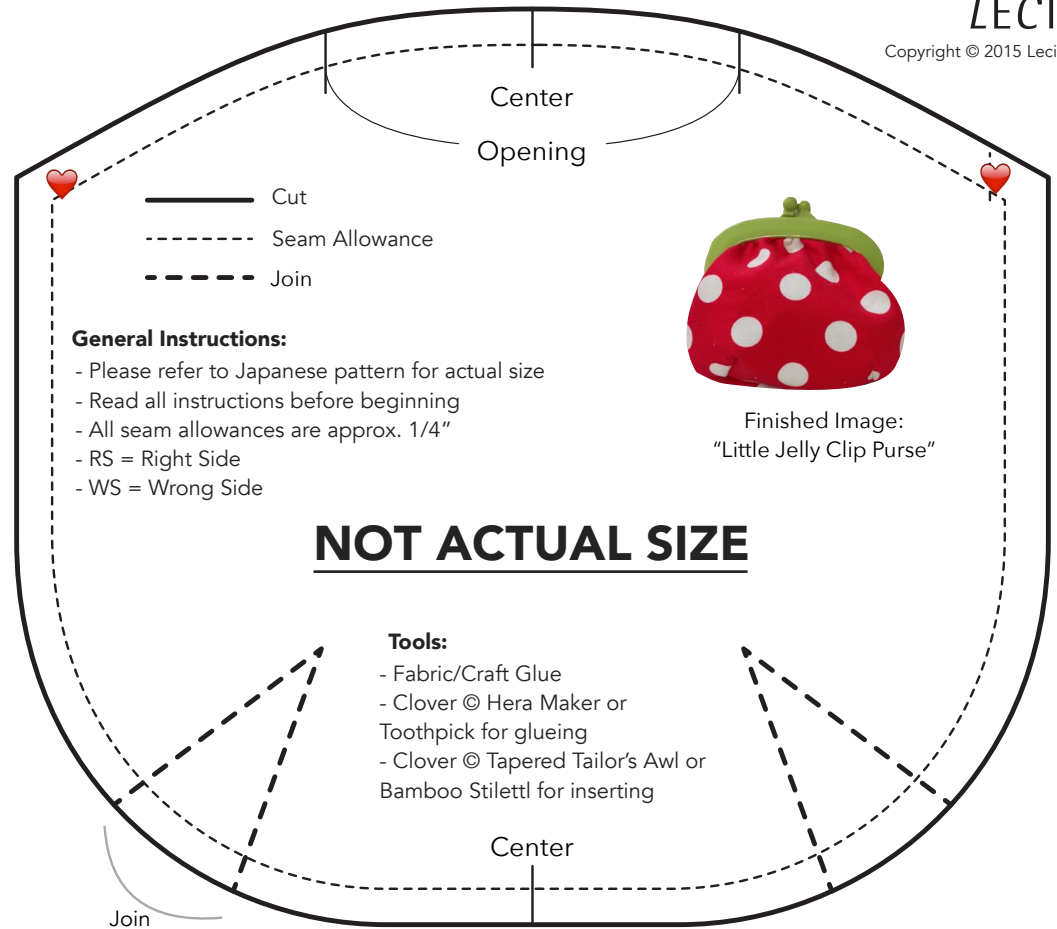

- Apply a Fabric/Craft Glue to the inside of one half of the Jelly Clip (image D).
- Place the glued side flat on a surface. Center one side of the purse below it, gather the fabric with fingers and gently push it into the inside of the Jelly Clip using Clover © Tapered Tailor's Awl or Bamboo Stiletto.
- Flip the purse over to make sure that both sides are inserted into the Jelly Clip neatly.
- Repeat the above steps for the other half side of the Jelly Clip.
- If necessary, unwind the edge of the Paper String a little bit and push it into the inside of the Jelly Clip to secure the fabric using Clover © Tapered Tailor's Awl or Bamboo Stiletto.
- Repeat the above step for the other half side of the Jelly Clip (image E).

What's included in the package:

- 1 Jelly Clip 10cm (approx. 4")
- 1 pc Paper String
- Pattern written in Japanese
- *Please refer to this Japanese pattern for actual size
